Data protection officer contact information:
datenschutz@di-support.com

Reasons for why personal information is processed

During the application process, your personal data will be compiled and used, for example, to evaluate your qualifications or for an invitation for a personal interview.

Legal basis for the processing of data

You have provided us with personal information. Personal Information may be processed for an employment relationship when this is required for the decision for establishing an employment relationship. (GDPR new § 26 (1))

Recipient of Data or types of recipients

Your information will be forwarded to management, who make final hiring decisions.

Allowed duration for the storing of data

Upon conclusion of the application process, your application documents will either be entered into the personnel files, or, if no employment relationship is established, sent back to you or destroyed. Information saved electronically will be deleted.

Indication of your rights as an affected person

According to Chapter III of the GDPR you reserve the right to request disclosure of your personal information stored by us, to have false information revised, and to have unwarranted information deleted. You also reserve the fundamental right to complain to the Regulating Authority for Data Protection about the usage of your personal data.

Am I Required to Submit my Personal Information?

Your application documents are required for the application process and for the possible completion of an employment contract.

Is there an automated decision-making process or profiling?

We do not use any automated evaluation processes in when deciding on your application.

If you have any further questions regarding data protection within our company, please contact our HR department.
